Proclamation 2015

Report of the Commissioner of Education Concerning Required Corrections of Factual Errors

This *Report of the Commissioner of Education Concerning Required Corrections of Factual Errors* contains a count of the errors that publishers have agreed to correct prior to the deadline of **Friday, May 1, 2015**, which is the deadline for publishers to file a signed *Publisher's Affidavit* verifying that all required corrections have been made (Proclamation 2015, p. 11).

The errors included in this document are errors reported through one of the following three State Board of Education requirements:

Friday, August 1, 2014

- **Deadline** for publishers to file Identification of Factual Errors by Publisher form listing the corrections to be made to the instructional materials submitted for adoption. Publishers shall file all documents by 5:00 P.M. CDT. (Proclamation 2015, p. 9).

Friday, September 5, 2014

- **Deadline** for Texas residents to file lists of alleged factual errors in instructional materials under consideration for adoption. Residents shall file all documents by 5:00 P.M. CDT. (Proclamation 2015 p. 9).

§66.36. State Review Panels: Duties and Conduct.

(a) The duties of each member of a state review panel are to:

(3) submit to the commissioner of education a list of any factual errors in instructional materials discovered during the review conducted by the state review panel through the submission of a consensus report, or, if necessary, majority and minority reports that reflect the opinions of all panel members listed by team role, to determine what factual errors have been discovered
