2013-2017 Rule Review Plan for State Board of Education Rules

Texas Government Code, §2001.039, requires a four-year rule review cycle for all state agency rules, including State Board of Education rules. The rule review is designed to ensure that the reason for adopting or readopting the rule continues to exist. It only includes rules currently in effect at the time the plan is adopted.

Senate Bill 467, 77th Texas Legislature, 2001, exempted the Texas Essential Knowledge and Skills (TEKS) from the rule review requirement; accordingly, this rule review plan does not include the rule chapters for the TEKS. Although the rules will not be reviewed as part of the rule review process, the State Board of Education does intend to conduct a comprehensive review of the TEKS. This comprehensive review of the curriculum content will be designed to align the adoption of textbook proclamations with the amendments to the TEKS.
