Student Assessment Division
Texas Education Agency

Dear Student Assessment Division,

In accordance with the Texas Education Code, Educational Testing Service and Pearson certify that the attached prices per private school student do not exceed the prices for administering the same assessment to a student enrolled in a Texas public school district.

In the 2017-2018 school year there were 4,776 students in 28 private schools that took the State of Texas Assessments of Academic Readiness and Texas English Language Proficiency Assessment System assessments.

Sincerely,

Sarah Rhame
