Private School Assessment Costs for 2020–2021

October 1, 2020

Student Assessment Division
Texas Education Agency

Dear Student Assessment Division,

In accordance with the Texas Education Code, Educational Testing Service and Pearson certify that the attached prices per private school student do not exceed the prices for administering the same assessment to a student enrolled in a Texas public school district.

In the 2019-2020 school year there were no private schools that took the State of Texas Assessments of Academic Readiness or Texas English Language Proficiency Assessment System assessments.

Sincerely,

Sarah López Rhame
Texas Program Director
Educational Testing Service

Amanda Pepmiller
Texas Program Manager
