### **Statutory Citations Relating to Proposed Amendment to 19 TAC Chapter 74, Curriculum Requirements, Subchapter A, Required Curriculum, §74.3, Description of a Required Secondary Curriculum**

#### **Texas Education Code, §7.102, State Board of Education Powers and Duties (excerpt):**

(c)(4) The board shall establish curriculum and graduation requirements.

#### **Texas Education Code, §28.002, Required Curriculum (excerpts):**

- (a) Each school district that offers kindergarten through grade 12 shall offer, as a required curriculum:
  - (1) a foundation curriculum that includes:
    - (A) English language arts;
    - (B) mathematics;
    - (C) science; and
    - (D) social studies, consisting of Texas, United States, and world history, government, economics, with emphasis on the free enterprise system and its benefits, and geography; and
  - (2) an enrichment curriculum that includes:
    - (A) to the extent possible, languages other than English;
    - (B) health, with emphasis on the importance of proper nutrition and exercise;
    - (C) physical education;
    - (D) fine arts;
    - (E) career and technology education;
    - (F) technology applications;
    - (G) religious literature, including the Hebrew Scriptures (Old Testament) and New Testament, and its impact on history and literature; and
    - (H) personal financial literacy.
- (b) The State Board of Education by rule shall designate subjects constituting a well-balanced curriculum to be offered by a school district that does not offer kindergarten through grade 12.
- (c) The State Board of Education, with the direct participation of educators, parents, business and industry representatives, and employers shall by rule identify the essential knowledge and skills of each subject of the required curriculum that all students should be able to demonstrate and that will be used in evaluating instructional materials under Chapter 31 and addressed on the assessment instruments required under Subchapter B, Chapter 39. As a condition of accreditation, the board shall require each district to provide instruction in the essential knowledge and skills at appropriate grade levels and to make available to each high school student in the district an Algebra II course.

**Texas Education Code, §28.0021, Personal Financial Literacy:**

- (a) The Texas essential knowledge and skills and, as applicable, Section 28.025 shall include instruction in personal financial literacy, including instruction in methods of paying for college and other postsecondary education and training, in:
  - (1) mathematics instruction in kindergarten through grade eight; and
  - (2) one or more courses offered for high school graduation.
- (b) Each school district and each open-enrollment charter school that offers a high school program shall provide an elective course in personal financial literacy that meets the requirements for a one-half elective credit under Section 28.025, using materials approved by the State Board of Education. The instruction in personal financial literacy must include instruction on completing the application for federal student aid provided by the United States Department of Education. In fulfilling the requirement to provide financial literacy instruction under this section, a school district or open-enrollment charter school may use an existing state, federal, private, or nonprofit program that provides students without charge the instruction described under this section.
- (c) The State Board of Education shall, not later than January 31, 2012, identify the essential knowledge and skills of personal financial literacy instruction to include instruction in methods of paying for college and other postsecondary education and training and shall, not later than August 31, 2012, approve under Subsection (b) materials that provide for such instruction. Beginning with the 2013-2014 school year, each school district and each open-enrollment charter school that offers a high school program shall include, in the elective course in personal financial literacy, instruction in methods of paying for college and other postsecondary education and training and use materials approved for that purpose under Subsection (b). This subsection expires September 1, 2014.
