Text of Proposed Amendments to 19 TAC

Chapter 112. Texas Essential Knowledge and Skills for Science

Subchapter D. Other Science Courses

§112.70. International Baccalaureate (IB) Environmental Systems and Societies Standard Level [~~IB~~] (One Credit).

- (a) General Requirements. Students shall [can] be awarded one credit for successful completion of this course. Recommended prerequisite: one credit [year] of high school science. This course is recommended for students in Grade 11 or 12.
- (b) Content Requirements. Content requirements for International Baccalaureate (IB) Environmental Systems are prescribed by the International Baccalaureate Organization. Curriculum guides may be obtained from International Baccalaureate of North America.

§112.73. International Baccalaureate (IB) Biology Standard Level (One Credit).

- (a) General requirements. Students shall [can] be awarded one credit for successful completion of this course. Recommended prerequisites: two credits [years] of high school laboratory science. This course is recommended for students in Grade 11 or 12.
- (b) Content requirements. Content requirements for International Baccalaureate (IB) Biology Standard Level are prescribed by the International Baccalaureate Organization. Curriculum guides may be obtained from International Baccalaureate of North America.

§112.74. International Baccalaureate (IB) Biology Higher Level (One Credit).

- (a) General requirements. Students shall [can] be awarded one credit for successful completion of this course. Recommended prerequisites: two credits [years] of high school laboratory science. This course is recommended for students in Grade 11 or 12.
- (b) Content requirements. Content requirements for International Baccalaureate (IB) Biology Higher Level are prescribed by the International Baccalaureate Organization. Curriculum guides may be obtained from International Baccalaureate of North America.

§112.75. International Baccalaureate (IB) Chemistry Standard Level (One Credit).

- (a) General requirements. Students shall [can] be awarded one credit for successful completion of this course. Recommended prerequisites: two credits [years] of high school laboratory science. This course is recommended for students in Grade 11 or 12.
- (b) Content requirements. Content requirements for International Baccalaureate (IB) Chemistry Standard Level are prescribed by the International Baccalaureate Organization. Curriculum guides may be obtained from International Baccalaureate of North America.

§112.76. International Baccalaureate (IB) Chemistry Higher Level (One Credit).

- (a) General requirements. Students shall [can] be awarded one credit for successful completion of this course. Recommended prerequisites: two credits [years] of high school laboratory science. This course is recommended for students in Grade 11 or 12.
- (b) Content requirements. Content requirements for International Baccalaureate (IB) Chemistry Higher Level are prescribed by the International Baccalaureate Organization. Curriculum guides may be obtained from International Baccalaureate of North America.

§112.77. International Baccalaureate (IB) Physics Standard Level (One Credit).

- (a) General requirements. Students shall ~~[can]~~ be awarded one credit for successful completion of this course. Recommended prerequisites: two credits ~~[years]~~ of high school laboratory science. This course is recommended for students in Grade 11 or 12.
- (b) Content requirements. Content requirements for International Baccalaureate (IB) Physics Standard Level are prescribed by the International Baccalaureate Organization. Curriculum guides may be obtained from International Baccalaureate of North America.

§112.78. International Baccalaureate (IB) Physics Higher Level (One Credit).

- (a) General requirements. Students shall ~~[can]~~ be awarded one credit for successful completion of this course. Recommended prerequisites: two credits ~~[years]~~ of high school laboratory science. This course is recommended for students in Grade 11 or 12.
- (b) Content requirements. Content requirements for International Baccalaureate (IB) Physics Higher Level are prescribed by the International Baccalaureate Organization. Curriculum guides may be obtained from International Baccalaureate of North America.
