

Individual Work Product

Jordan Adams | Content Advisor to the Texas State Board of Education

Appointed by Chairman Aaron Kinsey and Member LJ Francis

This document represents my Individual Work Product on the Draft of Social Studies TEKS after amendments by the State Board of Education in April 2026 and in response to Public Comment as of June 15, 2026.

As a Content Advisor, I understand it is my responsibility to advise on the content of the potential Texas Essential Knowledge and Skills (TEKS) for Social Studies based on Texas law and the sequence (subjects, grade levels, and time periods), content percentages, and suggested edits as determined by the State Board of Education and Work Groups A and B and Public Comment.

With the exception of comparatively minor amendments, I hereby submit as my Individual Work Product the Content Advisors Consensus Document.
