

Reading Standards Foundational Skills

Kindergarten students

Print Concepts

1. Demonstrate understanding of the organization and basic features of print.
 - a. Follow words from left to right, top to bottom, and page by page.
 - b. Recognize that spoken words are represented in written language by specific sequences of letters.
 - c. Understand that words are separated by spaces in print.
 - d. Recognize and name all upper- and lowercase letters of the alphabet.

Phonological Awareness

2. Demonstrate understanding of spoken words, syllables, and sounds (phonemes).
 - a. Recognize and produce rhyming words.
 - b. Count, pronounce, blend, and segment syllables in spoken words.
 - c. Blend and segment onsets and rimes of single-syllable spoken words.
 - d. Isolate and pronounce the initial, medial vowel, and final sounds (phonemes) in three-phoneme (consonant-vowel-consonant, or CVC) words. (This does not include CVCs ending with /l/, /r/, or /x/.)
 - e. Add or substitute individual sounds (phonemes) in simple, one-syllable words to make new words.

Phonics and Word Recognition

3. Know and apply grade-level phonics and word analysis skills in decoding words.
 - a. Demonstrate basic knowledge of one-to-one letter-sound correspondences by producing the primary sound or many of the most frequent sounds for each consonant.
 - b. Associate the long and short sounds with common spellings (graphemes) for the five major vowels.*
 - c. Read common high-frequency words by sight (e.g., *the, of, to, you, she, my, is, are, do, does*).
 - d. Distinguish between similarly spelled words by identifying the sounds of the letters that differ.

Grade 1 students

Print Concepts

1. Demonstrate understanding of the organization and basic features of print.
 - a. Recognize the distinguishing features of a sentence (e.g., first word, capitalization, ending punctuation).

Phonological Awareness

2. Demonstrate understanding of spoken words, syllables, and sounds (phonemes).
 - a. Distinguish long from short vowel sounds in spoken single-syllable words.
 - b. Orally produce single-syllable words by blending sounds (phonemes), including consonant blends.
 - c. Isolate and pronounce initial, medial vowel, and final sounds (phonemes) in spoken single-syllable words.
 - d. Segment spoken single-syllable words into their complete sequence of individual sounds (phonemes).

Phonics and Word Recognition

3. Know and apply grade-level phonics and word analysis skills in decoding words.
 - a. Know the spelling-sound correspondences for common consonant digraphs.
 - b. Decode regularly spelled one-syllable words.
 - c. Know final -e and common vowel team conventions for representing long-vowel sounds.
 - d. Use knowledge that every syllable must have a vowel sound to determine the number of syllables in a printed word.
 - e. Decode two-syllable words following basic patterns by breaking the words into syllables.
 - f. Read words with inflectional endings.
 - g. Recognize and read grade-appropriate irregularly spelled words.

b. Know spelling-sound correspondences for additional common vowel teams.		a. Identify and know the meaning of the most common prefixes and derivational suffixes.
c. Decode regularly spelled two-syllable words with long vowels.		b. Decode words with common Latin suffixes.
d. Decode words with common prefixes and suffixes.		c. Decode multisyllable words.
e. Identify words with inconsistent but common spelling-sound correspondences.		d. Read grade-appropriate irregularly spelled words.
f. Recognize and read grade-appropriate irregularly spelled words.		e. Identify words with inconsistent but common spelling-sound correspondences.
		f. Recognize and read grade-appropriate irregularly spelled words.

Common Core State Standards, Foundational Skills for Kindergarten (Standard K.3.B) states: "Associate the long and short sounds with common spellings (graphemes) for the five major vowels." In Grade 1 (Standard 1.3.c) CCSS states: "Know final e and common vowel team conventions for representing long vowel sounds." So, mastery of long-vowel spellings is expected in Grade 1. I strongly believe that children in kindergarten should be focused on mastering the reading of CVC short-vowel words only. The inclusion of long-vowel spellings in kindergarten is not appropriate, unless children are above level.

Note that the California Department of Education, when adopting the CCSS, added the caveat that in kindergarten, children are expected to know that vowels have two major sounds—long and short, but are only required to learn the spellings for the short-vowel sounds. I think this is a sensible solution and we should not push down the phonics curriculum any more into kindergarten. Give our students time to build a strong foundation without rushing it. Children are above level.
