Chapter 67. State Review and Approval of Instructional Materials

Subchapter C. Local Operations

§67.69. Local Review of Classroom Instructional Materials.

School districts and open-enrollment charter schools must establish a process by which a parent of a student may request an instructional material review under Texas Education Code, §31.0252, for a subject area in the grade level in which the student is enrolled. This process shall:

- (1) establish minimum requirements for a parent's petition to the school district board of trustees for a local review of classroom instructional materials, including submission guidelines and timelines for the petition. The process must align to the statewide submission window of September 1 through the last instructional day for students;
- (2) require parent petitions to include the student assignment, grade level, content area, campus name, and teacher name to complete the local review process; and
- (3) establish an appeal process for parents if a petition for a local review is denied by the school district board of trustees, detailing steps for submitting an appeal, the criteria for reviewing the appeal, and the timelines for a final decision.
