**Chapter 110. Texas Essential Knowledge and Skills for English Language Arts and Reading**

**Subchapter A. Elementary**

**§110.10. Literary Works Lists, Kindergarten-Grade 5, Adopted 2026.**

- (a) This section implements the requirements of Texas Education Code (TEC), §28.002(c-4), and, in conjunction with Chapter 113 of this title (relating to Texas Essential Knowledge and Skills for Social Studies), implements the requirements of TEC, §28.002(a)(2)(G), (h), and (h-1).
- (b) The literary works included in the figures in subsection (f)(1)-(6) of this section shall be included in instruction at the designated grade level. Each required literary work shall be read in its entirety unless otherwise indicated in the figures in subsection (f)(1)-(6) of this section.
- (c) Students shall demonstrate proficiency in the student expectations described in §§110.2-110.7 of this chapter (relating to English Language Arts and Reading, Kindergarten, Adopted 2017; English Language Arts and Reading, Grade 1, Adopted 2017; English Language Arts and Reading, Grade 2, Adopted 2017; English Language Arts and Reading, Grade 3, Adopted 2017; English Language Arts and Reading, Grade 4, Adopted 2017; and English Language Arts and Reading, Grade 5, Adopted 2017) using, at a minimum, the required literary works listed in the figures in subsection (f)(1)-(6) of this section. The literary works required by this section represent the minimum literary works to be read by or for students in that grade. Additional literary works to be used in instruction may be selected at the local level. When making local selections of additional literary works for instruction in English language arts and reading, school districts and charter schools should prioritize texts with content that reinforces required student expectations of knowledge from other subjects, including social studies.
- (d) It is recommended that students read from printed versions of required literary works as opposed to digital copies on digital devices.
- (e) Students in Kindergarten-Grade 4 are still developing proficiency in beginning reading and writing skills. Specific reading material used to develop those reading and writing skills, including decodable readers and grammar and handwriting guidance documents, are necessary to support that instruction but are not referenced in this section. Student expectations related to listening and speaking in those grades can be supported by exposing students to a range of literary works with more complex vocabulary. Consequently, certain literary works required by this section in Kindergarten-Grade 4 are noted as being recommended for implementation as being read aloud to the student as noted in the figures in subsection (f)(1)-(6) of this section. Even if a literary work is listed with a recommendation that it be read aloud, it may be read directly by students when appropriate, potentially with adult assistance. If a literary work is not listed with a recommendation that it be read aloud, it must be read by students, with adult assistance where necessary.
- (f) The literary works lists to be used by school districts and charter schools are provided in the figures in this subsection.

- (g) For each literary work that has an associated International Standard Book Number (ISBN), the ISBN is included in the figures in subsection (f)(1)-(6) of this section. For literary works without an ISBN, the Texas Education Agency (TEA) shall maintain a website providing information on how to identify the specific version of the literary work. Some literary works are available in multiple versions, and, as such, districts and charter schools shall use a version of each required literary work that includes text that is identical to the version featured in the ISBN listed in the figures in subsection (f)(1)-(6) of this section or the information maintained on the TEA website.
- (h) In accordance with TEC, §26.010, a parent retains the right to temporarily remove the parent's child from instruction in a required literary work that conflicts with the parent's religious or moral beliefs if the parent presents or delivers to the teacher of the parent's child a written statement authorizing the removal of the child from the instruction. If a graded assignment or local assessment is based solely on the content of a required literary work for which a parent exercised a right under TEC, §26.010, the school district or charter school is encouraged, but not required, to provide an alternative graded assignment or local assessment that is based on an alternative literary work provided for the student who was removed from instruction.
- (i) In the event the commissioner of education determines that a literary work required in any of the figures in subsection (f)(1)-(6) of this section is no longer available at a reasonable cost at the volume required for implementation across the state, the commissioner shall report that finding to the State Board of Education (SBOE), and the SBOE may consider an amendment to remove that specific literary work from the relevant figure, subject to holding two board meetings for a first and second reading without a separate meeting for discussion before first reading.
